A FRIEND IS ONE WHO COMES IN...

WHEN THE REST OF THE WORLD GOES OUT.

DEDICATION

I dedicate this book to you, my friend,
because when I need a friend I think of you.
I think of trading baseball cards, and sharing
lollipops with you. I think of long walks and
millions of heart to heart talks.

I think of laughing and joking and dreaming and
crying the years away with you. I think of
talking about "first romances" and agonizing over
"true loves" with you. I think of our first
sneaked cigarette and the first beer we shared.

I think of all the people we've watched change
and go away. I think of our childhood dreams
becoming decisions we must make now.

I think of the times, the many, many times you
and I were the only ones who could understand
each other. I think of secrets and frisbees
and flowers and ballgames and smiles and long hours.

But when I think of leaving you . . . of us not being
side by side . . . forever . . . , like we're so accustomed
to . . . I wonder what it will be like without you,
if I'll ever find another friend like you. I
can only hope for that which we have now we'll have for the
rest of our lives.

And . . . when I need a friend . . . I'll think of you.

Teach Your Children

You who are on the road, must have a code,
that you can live by. And so, become yourself
because the past is just a good-bye.

Don't you ever ask them why, if they told you,
you would cry, so just look at them and sigh, and
know they love you.

Teach your children well, their father's hell
did slowly go by. And feed them on your dreams,
the one they pick, the one you'll know by.

And you of tender years, can't know the fears
that your elders grew by.

And, so, please help them with their youth,
they seek the truth, before they can die.

ADMINISTRATION

Robin,

Hello, To a really
wonderful person who
just happens to be
my girlfriends sister.
I wish you all the
luck in the future.
Make the best of it
and keep that boyfriend
of yours out of trouble.
Take care, and I'm
sure you'll be seeing
enough of me in
the future, so I won't
tell you to keep in touch.
Love
Pat.

. . . we were always friends,
From our childhood days
And we made our plans,
And we had to go our separate ways.
I went on the road —
You pursued an education.
. . . do you like your life,
Can you find release,
And will you ever change —
Will you ever write your masterpiece.
Are you still in school —
Living up to expectations . . .
You were so relied upon, everybody knows
How hard you tried —
Hey . . . just look at what a job you've done,
Carrying the weight of family pride.
. . . you've been well behaved,
You've been working hard
But will you always stay —
Someone else's dream of who you are.
Do what's good for you, or you're not good for
anybody . . .
I went on the road —
You pursued an education . . .
How you gonna know for sure — everything was
so well organized.
Hey . . . now everything is so secure,
And everybody else is satisfied,
. . . do you like your life,
Can you find release
And will you ever change,
When will you write your masterpiece.
Do what's good for you, or you're not good for
anybody . . .

Making friends for the world to see,
Let the people know you've got what you need.
With a friend at hand you will see the light;
If your friends are there, everything's alright.

Becoming freshmen, we were excited and determined to work hard and have a lot of fun. We waited a long time to finally be a part of the high school atmosphere.

Our class president was Larry Favilla and the vice-president was Cathy Turnes. Our secretary was Dorian Grupe and our treasurer was Janet Ahern. They started us off to a great year. Our class advisors were Mrs. Czygier and Miss Feldshon, now Mrs. Honig.

It was 1976, our country's Bicentennial Year; therefore, the homecoming theme for all classes had to be related to the Bicentennial. We built a giant birthday cake with a football player at Cindy Kissel's house. Even though our football player, nicknamed "Chester," fell into the cake, we pulled through with a big fourth place (the traditional freshman float outcome). Our class theme was "Freshmen are lighting their way to victory." After our football player fell, we walked along with our first float, proudly yelling, "Freshmen are EATING their way to victory!" Even though the rain fell, we had a great day. We picked Rose Woodrick to be our freshman class attendant, and she looked great!

We were successful in our fund raising as freshmen. We sold stationery and held dances. One of our dances was the Yearbook Dance.

We were victorious over the eighth grade in Sports Night. We all had a lot of fun that night, dressing as colonists for our skit and taking everyone on a historic tour through the Freshman Bicentennial Museum.

Moving up into the senior high school as sophomores was exciting. Now we really were "in" the high school atmosphere. Our basic training as freshmen was over. Our class president was Larry Favilla, vice-president was Rose Woodrick, secretary was Melissa Rose, and our treasurer was Janet Ahern. We needed

strong leaders to get us going again, and our class officers did a great job of it. Our new advisors, Mrs. Drossos and Miss Kondzialski, were and still are great supporters.

Homecoming that year showed a little more success for us. We placed second with the floats on which we worked long and hard. A big "thanks" goes to Mr. Rumplik for lending us the garage at Rumplik Chevrolet. The school theme was "The 50th Anniversary of East Islip High School." Our class theme was "Here's to the Next 50 Years of E. I. High." We built two figures, an old graduate and a new graduate, toasting the next fifty years. Our class attendant was Phyllis Agro, who looked very nice.

We sold wrapping paper as a fund raiser, and this proved to be successful for us. We also sold East Islip sweaters. Unfortunately, we ordered more than we were able to sell. As a matter of fact, we still have a few left!

We placed second in the bulletin board contest. The theme was "The Crimson Tide." Second place is a pretty good finish for sophomores.

Our first Sports Night in the high school was difficult for us, but we pulled through and placed third and were proud of it. Our skit was "Sophomore Comic Corner." We had a great time showing off our spirit, dressed up as comic characters from Wonder Woman to Casper the Friendly Ghost!

Being juniors was the greatest. We were right in the middle and were a part of everything. Our class president was Lori Scheno, vice-president was Rose Woodrick, our secretary was Melissa Rose, and our treasurer was Fran Montes.

Homecoming season arrived quickly, and we worked the concession stand at the football games, making a lot of money for the class treasury. We built our fantastic float as Eileen Riches' house. Our theme was "Time Keeps on Slipping . . ." It was a half-human, half-robot football player surrounded by mechanical friends. We were so proud of this float. It showed some of the individual talents some of the members of our class have. Of course, we placed first. Our class attendant was June Canavan.

Sports Night was a close one for us. We placed second and we were only a few points behind the first place winners. Our bulletin board placed second. Our theme for our sports night skit was "Noah's Ark." We paraded around the gym dressed as animals, two of each, of course.

Now we had our work cut out for us. Our Junior Prom wasn't far away and decisions had to be made.

Our Junior Prom was May 13, 1978. We hired the band "Naked Truth" to play for us. We spent a great deal of money, but they were well-worth the expense.

Our color was blue, and when we finished decorating the cafeteria, it looked beautiful. It was hard work, and without the help of Mr. Drossos we never could have done it.

Our theme was "Friends," a song by Elton John, which was perfect for the atmosphere that night. Our Queen was Patty Davis and the King was Larry Favilla. The attendants were Lori Scheno, Eddie Condon, Cathy Turnes and Jim Beggins.

It was a fantastic night and a great way to end a good year as juniors.

Here we are seniors, the year that we all anticipated. We all realize that now we have to start thinking about *OUR* graduation and what we will be doing next year. Our next step is the real world.

Homecoming weekend was a great success again for us. We worked hard on our very last float. We built it at Rosemary Maisano's house. The school theme was "Walt Disney" and we used the character Pinocchio as our main Disney character. Our theme was "Bulldogs play puppets to our first string." (Thanks, G.P.) What a great feeling to place first again.

Our Queen was Karen Kreutzer, and her attendants were Cathy Turnes and Lori Scheno. All three were very lovely and we were proud of them.

We held a Square Dance on December 9, 1978. It was different and all who attended enjoyed themselves. We hired a real "caller" and he taught us all how to square dance. It was great fun.

At Christmas time we sold beautiful poinsettias. We did fairly

well. If anything, it helped put us all into the holiday spirit.

Now we look forward to our senior class T-shirts, our fashion show, and our Gong show.

We especially look forward to our Senior Ball on May 29, 1979, which will be held at the Huntington Town House.

Keeping in touch after graduation is a difficult thing to do, but our happy memories will keep the friendships we had in high school in our hearts.

Senior Class Officers and Advisors

The senior class would like to thank Mr. and Mrs. Drossos and Miss Kondzalaski for their outstanding generosity during the past three years. We want you to know your concern held us together.

Advisor: Mrs. Drossos, Pres.: Lori Scheno, Vice Pres.: Eddie Condon, Treas.: Nancy Hughes, Sec.: Mary-Ellen Lacetera, Advisor: Miss Kondzalaski

Robin,
It's been
nice knowing ya
have fun ~~of~~ over
the summer.
we'll see ya,
Billy

I held out my hand one day in hope of reaching someone.

I pulled it back, and there you were.

You never asked for what you knew I wouldn't give,

But you kept giving.

I was like a book —

closed.

You were the one who cared enough to lift

me open and take a look.

I really don't know if I was what you expected.

I took a chance and let you see what I really was.

I expected nothing but was given much time and patience.

You were someone I could be me around.

You always listened when what I had to say may

have disagreed with you.

I reached out one day and what I caught hold

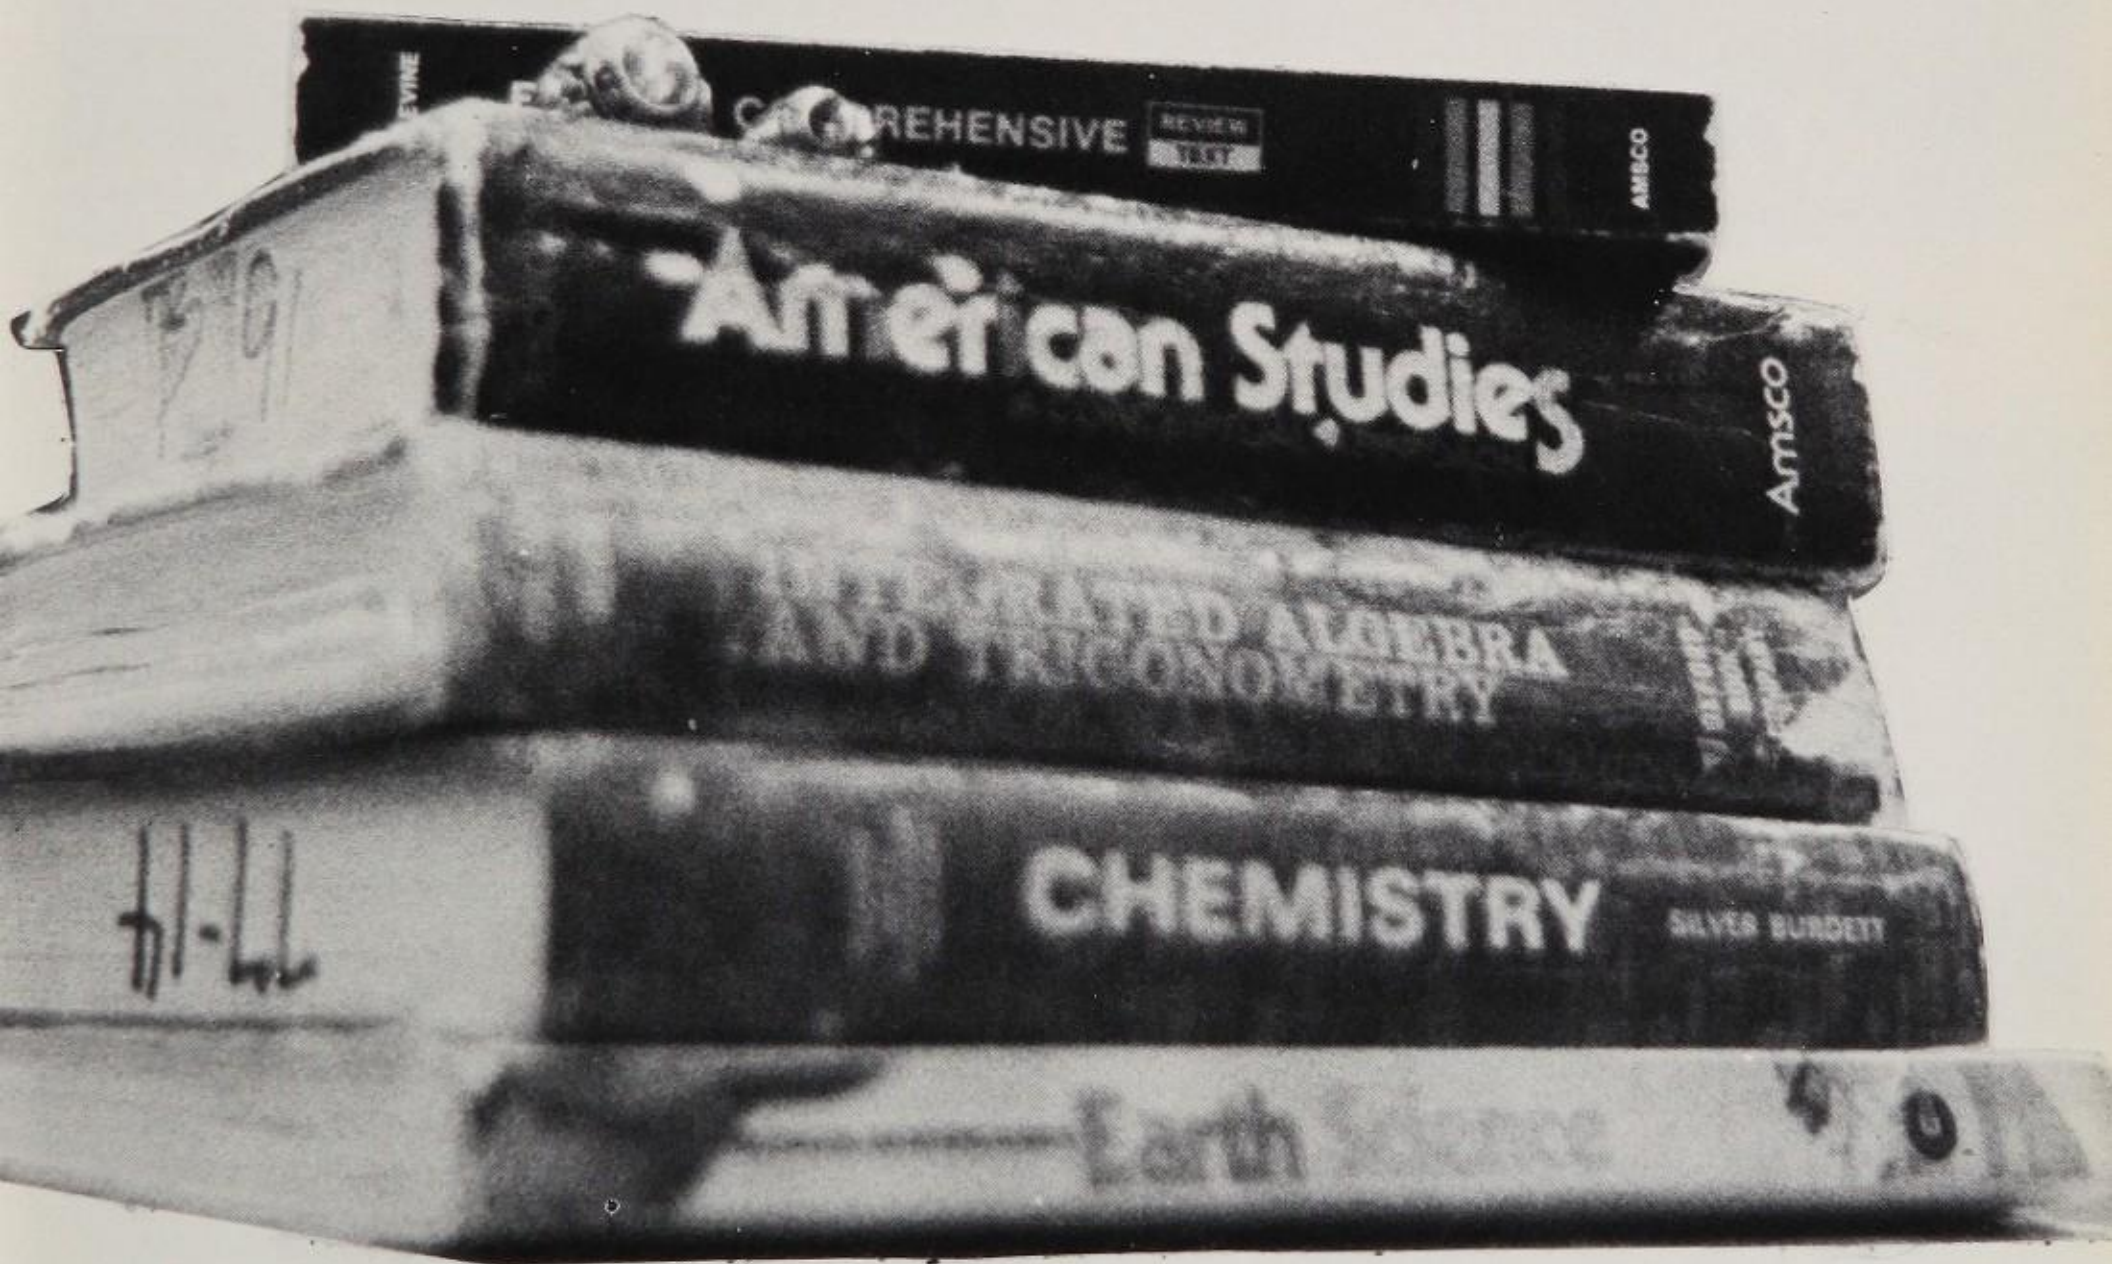

of was a friend.

In you I have faith.

In you I've found friendship.

A Little Help From My Friends

What would you think if I sang out of tune,
Would you stand up and walk out on me.
Lend me your ears and I'll sing you a song,
And I'll try not to sing out of key.
I'll get by with a little help from my friends,
I get high with a little help from my friends.
Going to try with a little help from friends.
What do I do when my love is away.
(Does it worry you to be alone)
How do I feel by the end of the day
(Are you sad because you're on your own)
No, I get by with a little help from my friends.
Do you need anybody,
I need somebody.
Could it be anybody,
I want somebody to love.
Would you believe in a love at first sight,
Yes, I'm certain that it happens all the time.
What do you see when you turn out the light,
I can't tell you, but I know it's mine.
Oh, I get by with a little help from my friends,
Yes, I get by with a little help from my friends.

I'll Play For You

Tonight while the lights are shining and the microphone is on,
I'll play for you.

So many will be the blessings and so short will be the time,
I'll stay with you.

But I'll play for you.

I love you, yes, I do.

You can say that I'm your friend,

You can see my life begin and end,

I'll always play for you.

Hear the band, hear the band,

Won't you let the music take you, hear the band.

Let this night

Go on forever,

Don't you ever stop the music,

Let your spirit set you free.

Hear the band, hear the band,

You can sing and stomp your feet and clap your hands,

These few moments we'll share together,

And I'll play for you.

I've practiced many years,

And I have come a long way just to play for you.

My life is but a song

I have written in many ways,

Just to say to you,

To say I love you, yes, I do,

And I'd like for you to be

Whatever you would like to be.

You'll always be special to me.

GODSPELL

You've Got a Friend

When you're down and troubled
And you need some loving care
And nothing, nothing is going right
Close your eyes and think of me
And soon I will be there
To brighten up even your darkest night

You just call out my name
And you know wherever I am
I'll come running to see you again
Winter, spring, summer or fall
All you have to do is call
And I'll be there
You've got a friend

If the sky above you
Grows dark and full of clouds
And that old north wind begins to blow
Keep your head together
And call my name out loud
Soon you'll hear me knocking at your door

You just call out my name
And you know wherever I am
I'll come running to see you
Winter, spring, summer or fall
All you have to do is call
And I'll be there

Ain't it good to know that you've got a
friend
When people can be so cold
They'll hurt you, and desert you
And take your soul if you let them
Oh, but don't you let them

You just call out my name
And you know wherever I am
I'll come running to see you again
Winter, spring, summer or fall
All you have to do is call
And I'll be there
You've got a friend.

*Good Luck
Stephen*

SPORTS

Football

The Varsity Football team illustrated its balanced strength on the gridiron again this year. The offensive attack led by quarterback Boomer Esiason and running backs Frank Bianchini, Jim Beggins, Dick Glock and Roger Erickson was one of the most potent in the county and was complemented by a fine defensive lineup. The East Islip Football team was not only voted an unprecedented 6 All-League Team members; Mike Dooley, Mike Salcedo, Roger Erickson, Boomer Esiason, Frank Bianchini, and Bob McKinnon and 3 All-County Team members; Boomer Esiason, Mike Dooley and Frank Bianchini, but was awarded the Rutger's Trophy in recognition for its excellent season.

Robin -
 I decide on this spot because I'm so interested in wrestling. Don't ever forget all the great times we had together at Hickey's ~~and don't forget~~ you better come up and visit me in New Rochelle. Good luck in the future.

Wrestling

I HOPE YOU DON'T

The Wrestling Team, relatively young and inexperienced, was hindered greatly by a large number of injuries this year. Kevin Hannan and Ken Ernst, both out with injuries, left the team with only three seniors wrestling varsity. The seniors and also the captains are James Rooney, Mike Roseman, and Joe Kennedy.

EAST ISLIP
SQUAD

Dear Robin,

You are a very special friend to me and I really don't know where to begin. We've had a lot of good times, then again we sure had our bad. I'll never forget all the fun we had at hutley's and are still having. You somebody that I love as a sister you always there, sometimes I find it hard to talk to you, that's only because you laugh a lot.

our saying when
or what ever

GO FOR IT!!

You deserve
Best wishes
coming years.
you and charlie
getting along

I hope the day will be a lighter highway

For friends who found the way to go

Who can ever think of any better way

For the lost and weary traveler to go

Making friends for the world to see

Let the people know you've got what you need

With a friend at hand you will see the light

If your friends are there, everything's alright

It seems to me a crime that we should age

These fragile times should never slip us by

A time we never can or shall erase

As friends together watch their childhood fly

Making friends for the world to see

Let the people know you've got what you need

With a friend at hand you will see the light

If your friends are there, everything's alright.

Can't wait till the summer comes
we'll have a pizza.

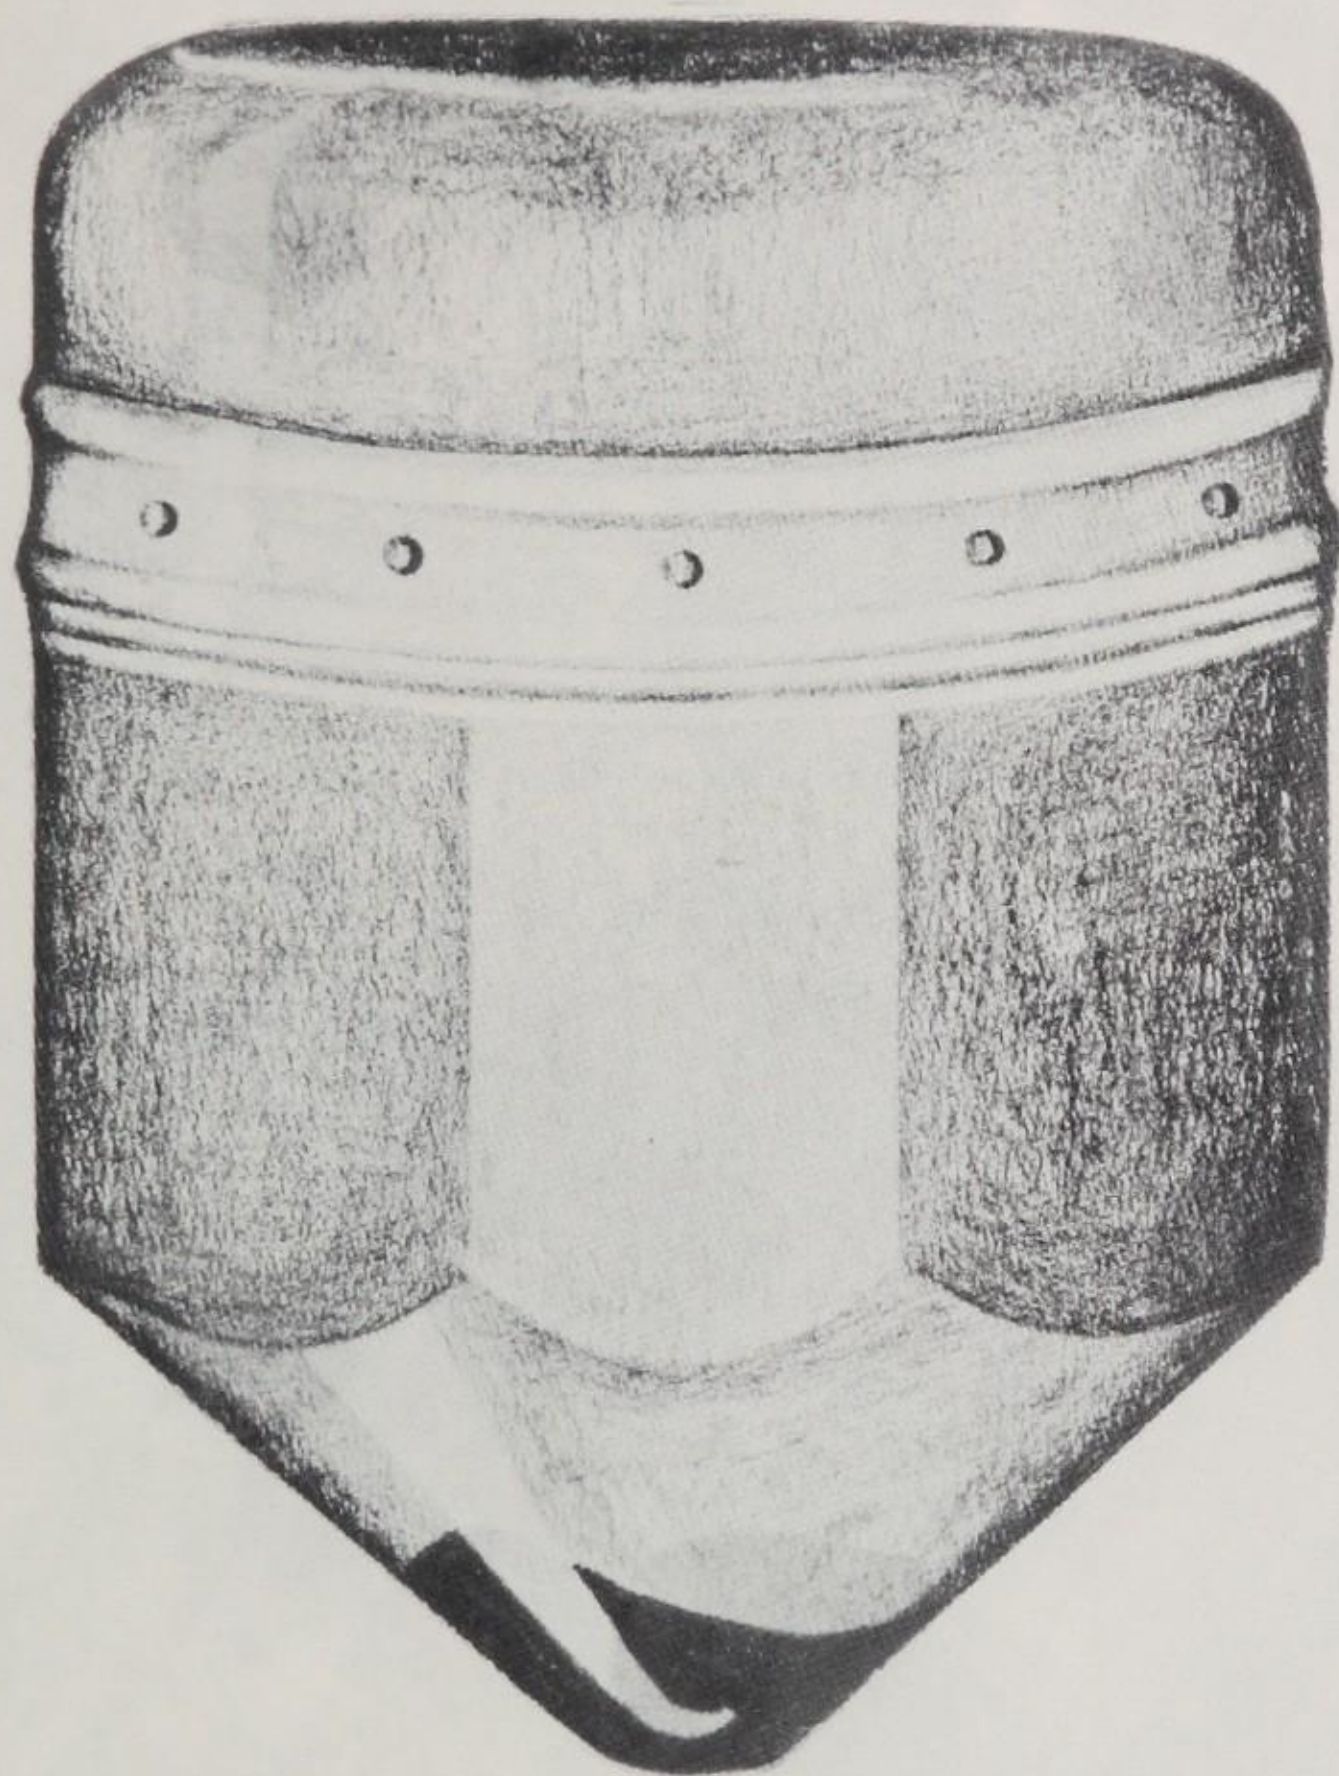

(If I see ya I mean)

anyway good luck in your
coming years

Love ya
always
Loretta

P.S. Take care
of Charlie

In My Life

There are places I remember All My Life,
Though some have changed,
Some forever, not for better,
Some have gone and some remain.

All these places had their moments
With loves and friends I still can recall.
Some are dead and some are living.
In my life I've loved them all.

But of all these friends and lovers,
There is no one compares with you,
And these mem'ries lose their meaning
When I think of love as something new.

Though I know I'll never lose affection
For people and things that went before,
I know I'll often stop and think about them,
In My Life I'll love you more.
